This is a project of the Regional Transportation Authority. The voter-approved, \$2.1 billion RTA plan will be implemented through 2026. Details about the full plan are available at www.RTAmobility.com. The Regional Transportation Authority has a nine-member board with representatives from local, state and tribal governments. This project will be managed in partnership by the Arizona Department of Transportation and the Town of Marana.

ARIZONA DEPARTMENT OF TRANSPORTATION *Interstate 10 -- Twin Peaks Interchange*

For Immediate Release

Traffic Signal to be Activated at Twin Peaks Road and Silverbell Road Intersection in Continental Ranch

MARANA – A new traffic signal in the Continental Ranch subdivision is set to be turned on today. The signal, at the intersection of Twin Peaks Road and Silverbell Road, will be set to flash mode through the weekend to let motorists in the area become accustomed to the newly signalized intersection.

During this traffic control change, motorists traveling in the area are advised to use caution and obey all new traffic control signals, markings and signage.

This improvement is moving forward as part of the Twin Peaks Interchange Project, a partnership among the Arizona Department of Transportation, the Town of Marana, and the Regional Transportation Authority.

While ADOT strives to inform the public about planned roadway restrictions, during any complex construction project unscheduled closures or restrictions might occur. ADOT appreciates the driving public's patience as it constructs these improvements.
