As always, drivers are reminded to proceed through the work zone with caution, slow down, and be alert for construction equipment and personnel.

ADOT works to inform the public about planned highway restrictions, but there is a possibility that unscheduled closures or restrictions may occur. Weather can also affect a project schedule. To stay up-to-date with the latest highway conditions around the state, visit ADOT Travel Information Center at [www.az511.gov](http://www.az511.gov) or call 5-1-1.
