

The Arizona Department of Transportation is issuing the **FINAL** update for the Interstate 10 Widening project from Prince Road to 29th Street. Following the closure below, there will be no more traffic-related closures scheduled on this segment of I-10.

This means that you will no longer be receiving e-mails from me on this project, so thank you for all of your patience and support over the past three years. It has been a pleasure to interact with all of you and I will miss working on this project. Have a safe and happy holiday season!
